

God has given us a passion to reach this generation, especially those whose geographical location, lifestyle, or station in life might otherwise prevent them from hearing His message.

America is a Mission Field

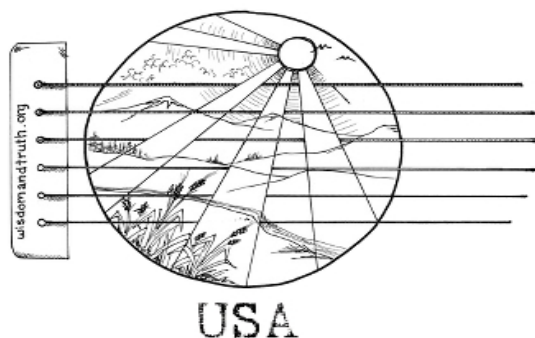

We feel an urgency to present the Gospel and to make disciples throughout this country.

Music is a *Universal Language*

Music bridges the gap between peoples and cultures. We use it on the reservations, in inner cities, in rural settings. It's a great way to present Jesus Christ.

The Great Circle

The Great Circle Tour began in 2008, when we placed all of our belongings in storage and moved out in our van. We have been touring the United States sharing Jesus Christ since.

We travel year 'round in a cargo van outfitted with one single mattress, a power inverter, refrigerator, food, clothing and musical gear. It may not be the most comfortable way of life, but the rewards of seeing lives changed by the power of the Gospel surpass anything this world could offer.

*Being a
"musicianary"
is a walk of faith*

Pray that we may open our mouths boldly to make known the mystery of the Gospel.
